FSDC Practitioner Speakers Series

Is it cool to be an Asset Management professional?

Asset management companies invest money on behalf of investors in both public and private securities such as stocks, bonds, properties and private equities, etc. You might have heard of various investment products in the news or from people around you. Do you know the asset management industry has many job functions and welcomes young talents from all kinds of disciplines?

With strong demand, the overall size of the asset and wealth management business in Hong Kong reached HK\$28,769 billion as at 31 December 2019. What drives the continuously steady and robust growth in the sector in Hong Kong? Have you ever considered entering the field? Are you aware of the requirements for joining the asset management industry?

The FSDC will host a virtual seminar entitled "Is it cool to be an Asset Management professional?". In this session, the seasoned speakers will share their personal experiences in the sector and provide the audience with a sector overview. Don't miss out. Register now.

WAM Pilot Programme Implementation Team

The Pilot Programme to Enhance Talent Training for the Asset and Wealth Management Sector ("WAM Pilot Programme") is funded by the HKSAR Government as part of its effort to facilitate the long-term sustainable development of the sector. The "WAM Channel" is a career series to enable students to understand the prospect of the WAM sector, its job functions and career preparation tips from the sharing of practitioners and recruiters.

More talks will be offered. Stay tuned!
